

2006 ENA Scientific Assembly

September 13-16

San Antonio, Texas

September 13-16, 2006

CD ROMs include the audio of over 60 sessions approved for recording. Sessions are recorded live and include Program handouts. Select sessions include available PowerPoint slides. Handouts provided by faculty on-site at the conference may not be included on the CD ROM.

MP3 CD ROM: \$159 Post-Conference

Standard Audio CDs - \$12.00 per session

Portable MP3 Player for only \$99

Wireless car adaptor for only \$49

All above prices include shipping and handling

Listen to your MP3 player in your car without a cassette player...simply plug, tune and play. Full stereo sound through your car stereo...no tangled wires or cassette adaptors. MP3 CD ROMs play on MAC OS X, WIN 98/NT/2000/XP and on portable MP3 players. The MP3 CD ROMs will NOT play in most car or home stereos.
